

SKANDER SPARE PARTS

PROFESSIONAL SOFTWARE QUOTATION

Quotation #	SKANDER-001	Date	23 September 2026
Business	Skander Spare Parts	Location	Karachi, Sindh, Pakistan
Customer	Motorcycle Spare Parts Shop	Project	Complete Shop Management Software

Project Overview: Yeh software motorcycle spare parts shop ke daily kaam ko simple aur organized banane ke liye develop kiya jayega. Stock, customers, billing, reports aur supplier credit — sab ek hi system mein manage hoga.

01 Inventory Management — Stock Ka Nizam

✓ New parts add karein: part name, category, purchase price, current stock, minimum stock limit aur supplier.	✓ Bill banne par stock automatically decrease hoga.
✓ Bill delete/cancel hone par relevant stock automatically restore hoga.	✓ Low-stock aur out-of-stock alerts dashboard par clearly show honge.
✓ Over-selling se bachne ke liye available stock check hoga.	

02 Customer Management — Customers Ka Record

✓ Customer name, phone number, motorcycle registration number, model/type aur address save hoga.	✓ Name ya phone number se customer ko quickly search kar sakte hain.
✓ Purane customer ki information billing ke waqt easily select ho jayegi.	✓ Customer history mein previous purchases, dates aur purchased parts ka record hoga.
✓ Lifetime total spending / purchase record maintain hoga.	

03 Billing System — Fast & Easy Billing

✓ Customer select karein aur motorcycle information automatically load ho.	✓ Parts ko search karke add karein aur quantity enter karein.
✓ Price aur total amount automatically calculate hoga.	✓ Stock availability real-time check hogi.
✓ Bill save hote hi stock update hoga.	✓ Receipt browser se print ki ja sakti hai; thermal printer support bhi possible hoga.
✓ Customer copy aur shop/business copy ke liye clean receipt format.	

04 Dashboard — Business Ka Quick Overview

✓ Total parts, customers, bills aur total sales/revenue.	✓ Low-stock parts ki list.
✓ Out-of-stock parts ke alerts.	✓ Important business information ek hi screen par.
✓ Daily business activity ko quickly monitor karne ki facility.	

05 Bill History — Purane Bills Ka Record

✓ All bills date-wise list mein available honge.	✓ Customer name, phone, motorcycle number aur total amount show hoga.
✓ Customer, phone aur date ke through search/filter.	✓ Complete bill details dobara open ki ja sakti hain.
✓ Wrong bill delete karne par stock automatically restore hoga.	

06 Reports & Analytics — Business Reports

✓ Daily Report: aaj ki sales, bills aur sold parts.	✓ Monthly Report: total revenue, bills, part-wise sales aur trends.
✓ Yearly Report: annual sales overview aur top-selling parts.	✓ Top-selling parts identify karne ki facility.
✓ Reports ko download/export karne ka option.	

07 Supplier Credit Management — Udhaar / Credit Record

✓ Supplier ka naam, phone, purchased parts, quantity, amount aur date record hogi.	✓ Pending, Paid aur Partial Payment status maintain hoga.
✓ Payment date aur complete payment history save hogi.	✓ Supplier-wise total outstanding amount clearly show hoga.
✓ Pending payments ki list aur priority follow-up.	✓ 15+ days pending credit par dashboard warning/highlight.
✓ Credit aur payment history se cash-flow tracking easy hogi.	

08 Responsive Design — Mobile, Tablet & Desktop

✓ Mobile par touch-friendly aur easy-to-use interface.	✓ Tablet par clean responsive layout.
✓ Laptop/Desktop par full dashboard aur reports.	✓ Roman Urdu based simple interface — shop staff ke liye easy understanding.
✓ Future mein Urdu RTL interface add/adjust kiya ja sakta hai.	

10 Package Mein Kya Include Hai

✓ Complete software development as listed in this quotation.	✓ Initial setup / deployment aur basic configuration.
✓ 1-hour basic training / handover.	✓ Inventory, Customers, Billing, Dashboard, Bill History, Reports aur Supplier Credit modules.
✓ Responsive interface aur basic bug fixing during agreed handover period.
